ShodashVarga Charts

Divisional Charts are extensions of Lagna Chart. Every chart has some specific purpose as described along with the chart below. These charts are to be studied along with the basic lagna chart to know in detail about the subject it represents. However, care has to be exercised in looking into these charts, because there are no aspects of planets here. Planet's behaviour is normally limited to the extent of sign or house it occupies in these divisional charts.

Manglik Vichar

In the boy or the girl's horoscope when Mars is in ascendant, fourth house, seventh house, eighth house or twelfth house then it is called Manglik dosh.

लग्ने व्यये च पाताले जामित्रे चाष्टमे कुजे ।
स्त्री भर्तुर्विनाशंच भर्ता च स्त्री विनाशनम् ।।

Manglik dosh is considered stronger when Mars is placed in the ascendant than when Mars is conjoined with Moon in ascendant. If according to the Shastras the Manglik dosh of both the boy and the girl is getting cancelled then they are guaranteed a happily married life. On the other hand, if this Manglik dosh is not cancelled then they are likely to face unnecessary problems and hurdles in life. So one must begin his/her married life after getting their horoscopes thoroughly matched. After getting the Manglik dosh properly cancelled the native shall be bestowed with a peaceful and wealthy life.

In your horoscope Mars is placed in the second house which represents voice and family. So with Mars' effect there will be disputes within the family at times. This is why in South India it is known as Kuja Dosh. Due to its effect you will have an impressive voice and the people around you will be impressed with you. This position is excellent for financial gains. You will earn a lot of money and luxuries with hard work. Your family members will be satisfied with you.

Mars' placed in the second house is aspecting the fifth house which indicates that you will be blessed with sons. They will fully cooperate with you. But the birth of your children may be delayed. You will be able to attain high education. Mars' aspect over eighth house indicates that you may suffer from diseases caused due to bile or excessive heat but it will not harm you in a big way. Most of your important works will be completed this year. Mars' aspect over ninth house shows that you will get success by virtue of your hard work and efforts. You will have more faith in karma than in destiny.

With the effect of Mars' aspect over second house you will enjoy a happy family life. You will look after your family members very well. They will also extend full support and cooperation to you. To make your life happier you must marry a non-Manglik girl. In this case you will lead a happily married life.

Personality Analysis

The configuration of Pisces Ascendant (Lagna) rising with Sagittarius Navamsa and Cancer Dreskana in the first Pad of Revati at the time of your birth is so propitious that it not only promises very many worldly benefits, including wealth, to the native, it also elevates one to a high spiritual plane.

Pisces, you should know is also known as the sign of "Moksha" or salvation. As you are a decent, honest person, with a religious bent of mind, eager to render service to saints, you can develop a sense of detachment towards earthly affairs. Think about it. This, of course, is not going to be too easy in your case because Pisces being a dual sign, there are two sides to your character. On the one hand you evince interest in religion and philosophy, while on the other you desire pleasure from sex. Hence, you will have to make up your mind as to which of the two you would abandon. Mixing them will be neither here nor there.

Throwing out of your mind your over eagerness for sex will also help you in your domestic life, as you will be fortunate to have a good spouse and issues who will provide you with a happy home. It would be in the fitness of things for you to contribute your share for maintaining a harmonious family atmosphere.

Some of your plus points are : You are quick on the uptake, an interesting conversationalist, good-natured and affectionate. If you can, you would like to help others; but if you can't, then you would prefer to stay quiet, but under no circumstances would you want to harm them. This endears you to people in general.

Since you don't relish the thought of having to depend upon your children in your old age, you are eager to earn as much as possible during your active years and store away a portion of your income for use later. This you can achieve, as you have a good business acumen and more often than not luck is in your side.

Your, otherwise, splendid birth chart shows three black spots. The patches are to be found in your 17th, 21st and 24th years which will not be very favourable. It would be advisable to proceed with caution during those years.

Another aspect on which you will have to be careful is about your friends. Some, who pose as your thick friends, may prove to be unreliable. So select your pals after deep thought and a study of their antecedents.

You will have a rosy time if you opt for rose, red, orange and yellow colours.

Keep off blue. The numbers which favour you are 1, 3, 4 and 9. Number 8 is definitely bad.

Three days of the week - Monday, Thursday and Tuesday are highly favourable to you. Sunday is average. The other three are not too good.
