UV Stable

## PRODUCT DESCRIPTION

Neplar® 12 Oz is a medium weight waterproof canvas fabric. Made with polyester-cotton knotless yarns the fabric is clean and smooth.

The canvas fabric it is treated with our superior impregnation treatment that locks in the waterproofing, water repellent, anti rot and mildew properties.

The fabric also has high UV resistant properties which helps facing continuous, direct sun.

The canvas has clean ultrasonic trimmed selvages which are not wavy or curly. The fabric lays flat and is easy to sew.
