## PRODUCT DESCRIPTION

Nepplar® FR 8 Oz is a fire retardant, waterproof canvas fabric. It is a high performance versatile polycotton fabric.

The canvas fabric it is treated with our superior impregnation treatment that locks in the waterproofing, water repellent, anti rot and mildew properties.

The fabric also has high UV resistant properties which helps facing continuous, direct sun.

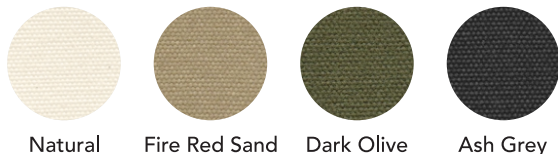

It has a durable fire retardant finish which complies with the AS1530 and equivalent standards. The FR chemistry, imported from Germany is the best in class and does not leach out in the environment.

The canvas has clean ultrasonic trimmed selvedges which are not wavy or curly. The fabric lays flat and is easy to sew.

## APPLICATIONS
