PRODUCT DESCRIPTION

Neplar® R 8 Oz is a polyester-cotton base fabric in ripstop construction which gives additional tear and tensile strength.

The canvas fabric it is treated with our superior impregnation treatment that locks in the waterproofing, water repellent, anti rot and mildew properties.

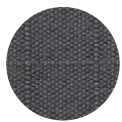

The fabric also has high UV resistant properties which helps facing continuous, direct sun.

The canvas has clean ultrasonic trimmed selvages which are not wavy or curly. The fabric lays flat and is easy to sew.
