PRODUCT DESCRIPTION

Neplar® Soft 8 Oz is a light weight tightly woven poly-cotton waterproof canvas fabric with a soft and supple hand. Made with multifold ring spun yarns, the polyester provides superior strength while cotton gives the comfort and luxury being a natural element.

It is treated with our superior impregnation treatment that locks in the waterproofing, water repellent, anti rot and mildew properties. The fabric also has high UV resistant properties which helps facing continuous, direct sun. The treatment is non toxic and does not cause any discomfort or allergies.
