USAGE INSTRUCTIONS

Print out the Nonverbal Trial image on the first page.

Once it is printed or displayed on your digital device, place your hand upon the symbol, or you can place the symbol anywhere upon the physical body.

Feel your life force energy bonding with the symbol. Once your physical weight is upon the symbol, the Aether Bed Nonverbal Trial symbol will immediately begin working on you through the “Healing mode” function of the Aether Bed.

Lay down on a bed or couch and place the trial image on your chest, abdomen, or any other area of the body you wish.

The symbol is now active and will remain active for as long as you wish to use it.

You can also print out multiple Aether Bed Trial images and place them on multiple areas of your body if you wish. You can also place them in plastic leaflets for additional protection should you want to lay on them.

Thank you for your interest in AetherX!

If you enjoy the Healing Mode through the Free Trial Symbol, view our Aether Bed Kit that is now available where you can experience both the Healing and Sleep modes providing you with an even greater personal healing and rejuvenation experience!
