USAGE INSTRUCTIONS

Print out the Trial image on the first page.

Place your hand upon the image and state the following either out loud or through intended thought...

“Aether Bed Trial, Activate Healing Mode.”

After saying or thinking this, let out the remainder of your exhaling breath softly and slowly feeling your life force energy bonding with the symbol.

Lay down on a bed or couch and place the trial image on your chest, abdomen, or any other area of the body you wish.

The symbol is now active and will remain active for as long as you wish to use it.

You can also print out multiple Aether Bed Trial images and place them on multiple areas of your body if you wish. You can also place them in plastic leaflets for additional protection should you want to lay on them.

Thank you for your interest in AetherX!
