INSTRUCTIONS FOR THE SELENITE AMPLIFIER PLATE

The AetherX Selenite Amplifier Plate does not require any form of activation or amplification. The Amplifier Technology are already activated and fully amplified when received. Once you have received them in the mail, simply place it on a table or stand for environmental healing of your space, or upon your body as the Selenite Amplifier Plate is designed to rejuvenate your body and your space together. The transcendental codes and Source Vibration will work immediately penetrating your energy field and the energy of the space assisting you with your organs, glands, blood circulation, bodily systems, chakras and your energy system.

You can also use the Selenite Amplifier plate to charge food on a plate, water, and even other crystals and jewelry imbuing it all with the pure Source Vibration.

The Selenite Amplifier Plate contains source vibration within the crystal itself and holds transcendental codes within the geometrical array that has been laser etched upon the Selenite.

If you have any further questions regarding the functions of the AetherX Selenite Amplifier Plate, or if you'd like to leave a testimonial of your experience, please contact us through our website: www.AetherX.co. Thank you, and please enjoy your unique experience!
