

A Little About Us...

In 1997, Scot Leith wasn't satisfied with the available options for providing a safe, stylish home for Dinkum, the house rabbit he and wife Amy brought into the family in 1992. Scot went to work on building a better solution, and Leith Petwerks was born.

Incorporated in 2000, the growing company remains a family run business with two employees in addition to Scot and Amy. We are proud to be a small business providing you with genuinely friendly and knowledgeable customer service. We run our business with honesty and integrity, and give back to our community in many ways. Products for bunny lovers, by bunny lovers!

Our Mission

To enhance and improve the compassionate person's relationship with their companion animals through progressive information, high quality products and exceptional personalized customer service.

We Believe in Being Green

We work hard to reduce waste, and maximize use of recycled materials. We reuse boxes, obtain shredded paper and packing peanuts from our recycling center, and donate usable materials to organizations who can use them.

In Memory of Dinkum

This is the little guy who started it all. We miss you!

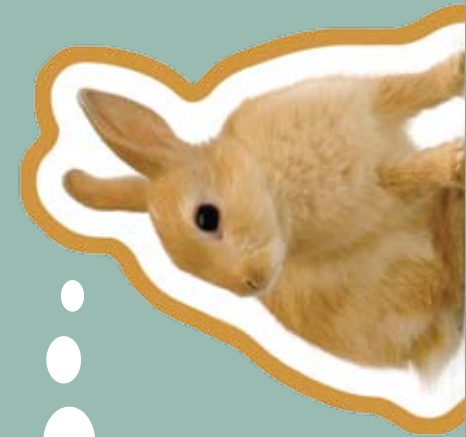

Listen To Our Customers!

We strive to make our customers happy. We are proud to claim that we succeed, as is easily shown by just a few of the comments we have received from our customers. See petwerks.com for more customer comments!

"Just writing to let you know how much my bunnies and I love your products. I ordered a double level condo over three years ago for my two dwarf rabbits. Not only do the bunnies love it, the condo looks just as good today as the day I ordered it! They just adore the second level—it's their afternoon nap space. Thanks for the high quality products and for caring about bunnies." - KC.

Petwerks Fosters Rabbits

Our concern for rabbits has led us to volunteer thousands of hours over the years to helping rabbits in need and educating people about rabbits. Over the years we've been involved in fostering homeless rabbits and helping them find forever homes. With a foster roster varying in size from two to twenty, you never know who might be with us and looking for their forever loving home. If you are in the Salem, Oregon area and interested in adopting a rabbit, please contact us or visit our web site and see what rabbits are staying with us!

safe, comfortable, and attractive
Condo Style Living
for your house rabbit

Home Sweet Home

You demand the safest, highest quality housing for your companion rabbit, and no doubt want something attractive to place in your home. Bunny Abodes are the only homes designed specifically for the litter box trained house rabbit. We know bunnies; we have lived with and loved our own house rabbits since 1992! Thousands of bunnies from dwarf breeds to Flemish Giants are enjoying Bunny Abode Condos!

Every Bunny Abode Condo has the following features:

- Proven quality of design and workmanship
- Safe, untreated poplar hardwood frame
- Solid floors to keep tender bunny feet safe
- Durable, easy to clean flooring
- Large 12" x 16" doors centered on each level
- Carpeted ramps with traction strips
- Sturdy casters for ease of moving
- Can be disassembled for cleaning or relocation
- Produced by people who know house rabbits!

All condos come with simple instructions for quick assembly. The only tool required is a phillips screw-driver. Assembly will take approximately 10 minutes for a single, 15 minutes for a double and 20 minutes for a triple. An extra set of hands to assist you is helpful, but not required.

When choosing a size, it's important to consider that no enclosure should be a rabbit's home 24 hours a day, 7 days a week. All rabbits need frequent, ample time to run about freely. This exercise contributes greatly to their emotional and physical health. Even if your rabbit is free roaming, he needs a home to call his own, and you need to be able to secure her safety in case of emergency.

Since 1997 we have built many long term relationships with our customers, who are thrilled by both our products and our personable customer service. You'll find we have everything for your house rabbit needs. See our web site for specific pricing; Bunny Abode prices range from approximately \$180-\$400.

Frequently Asked Questions

Q: Is a Bunny Abode for everybunny?

A: Bunny Abodes are designed for indoor use with litter box trained house rabbits of any age.

Q: Where can I get a Bunny Abode?

A: Visit our web site at www.petwerks.com and order online 24 hours a day, or call us at (800) 956-3576 to place your order.

Q: Does Petwerks ship Internationally?

A: Yes! We use UPS Ground and Worldwide services for shipments all over the globe.

Q: What else do you carry?

A: We have all the supplies you need for your rabbit and other small animal: treats, toys, hay, food and more!

Q: Why should I buy from Petwerks?

A: No one knows and loves house rabbits like we do! Dinkum was our first house rabbit, joining us in 1992. In business since 1997, we create American made products backed with fantastic customer service. We offer all the toys, hay, food and supplies you need at great prices.

Single Level Bunny Abode

The entry level option, suitable for one small rabbit or the free roaming rabbit that simply needs their own special place.

48" wide x 23" deep x 24" tall

Double Level Bunny Abode

A perfect combination of economy and space. Comfortable for a larger rabbit, or a pair with ample time to roam about.

48" wide x 23" deep x 43" tall

Triple Level Bunny Abode

Ample room for the single bun, perfect for a pair or trio. The best choice for rabbits who are not free roaming in the home.

48" wide x 23" deep x 65" tall
