USER GUIDE

CSLM30

LAVALIER MICROPHONE
WITH EARPHONE

BOX INCLUDES

- i. CSLM30 lavalier microphone with earphone
- ii. Carry pouch
- iii. Tie-clip
- iv. Windshield

CONNECTING THE MICROPHONE TO SMARTPHONES/LAPTOPS

- i. Plug the 3.5mm TRRS connector into the headphone jack of the smartphone/laptop. Audio-out will be played from the earphone & the lavalier microphone will be used as the default microphone for calls.

USING THE MICROPHONE

- i. In Line One Button Remote lets you Receive & End calls by a short press. Long Press Can activate Voice Assistant like Google Now on your smartphone.

- ii. The benefit of a microphone attached to the user's clothes is that the microphone will maintain a constant working distance independently of the user's movements and thus ensure a constant output level. Also, a clip-on microphone allows the user to move about freely and keeps their hands free.
- iii. Hold the lavalier microphone firmly & attach the tie-clip to the microphone at a point just below the microphone body, as shown. Attach the windshield on the microphone.

- iv. Attach the microphone to the user's upper body, placing it as close as possible to his/her mouth.

CLEANING

- i. To clean the microphone case, use a soft cloth moistened with water.

FEATURES

- i. Omnidirectional lavalier microphone with earphone
- ii. Long press on remote to activate Voice Assistant like Google Now
- iii. Lower sensitivity for better audio output
- iv. Strong cable for better longevity
- v. In-line one button remote for hands-free calling
- vi. Compatible with laptops & most smartphones
- vii. Comfortable earphone for monitoring, video & conference calls
