

Sciaire Pro Ceiling Light Commercial Air Purifier with Lighting

Introducing the Sciaire Pro Ceiling Light- a powerful commercial air purifier with bipolar ion generating technology and an H13 true HEPA filter. It efficiently purifies air, removing pollutants as small as 0.1 microns and odours. The bipolar ion generators along with the HEPA filter eliminate secondary pollutants, extend the filter’s lifespan, and reduce maintenance costs. The motor circulation system disperses ions for continuous air purification. Optionally, it offers a lighting function for multi-functional experience. Clean and purify your space effortlessly with Sciaire Pro Ceiling Light.

SPECIFICATIONS

MODEL NUMBER	CAHP-35WHL17LPro
INPUT VOLTAGE	120-277VAC, 50/60Hz
POWER CONSUMPTION	75 Watts
NOISE	52dB
MATERIAL & FINISH	Metal, matte white
DIMENSIONS	47.76 x 23.74 x 7.05 inches (1213x603x178mm)
NET WEIGHT	25.35 lbs (11.5 kg)
AIR FLOW	223CFM (380m ³ /h)
FAN SPEED	2 speeds: high speed & silent mode
INDICATOR	Solid green: high speed mode Solid blue: silent mode Flashing blue: filter replacement Flashing red: motor error

COLOR TEMP CCT	3000K / 3500K / 4000K 5000K
LIGHTING LIFE	50,000H
LUMENS (3000K)	2841lm / 3070lm / 3679lm / 4153lm
WATTAGE	20W / 26W / 32W / 37W
DIMMABLE RANGE	Knob adjustment 0-10V by dimmer
CONTROL METHOD	Wall switch
INSTALLATION	The device is equipped with a rotatable hook for easy installation on the keel of the roof and can be hung directly without screwing.
APPLICATIONS	Education, health care, self care, shopping, activities, hospitality
CERTIFICATION	ETL, UL867, cETL, FCC, IC, EPA EST. NO 99117-CHN-1, CARB, CE, UKCA, RoHS, REACH, WEEE

DIMENSIONS NOT TO SCALE
