

Certificate of Compliance RoHS Directive 2011/65/EU incl. 2015/863/EC (RoHS)

ALPEN SWISS TOOLS SA certifies based on the information provided that the products it markets are compliance with the requirements imposed with the European Directive 2011/65/EU, 2015/863/EC (RoHS) relative concerning the restriction of the use of certain hazardous substances in electric and electronic equipment.

The conformity of our products implies that products do not contain controlled substances in concentrations exceeding the values established bay Article 4 pf the RoHS directive.

ALPEN SWISS TOOLS SA remains in constant contact with its upstream suppliers. We can therefore attest that to the best of our knowledge, our products are not subject to any manufacturing or quality restrictions.

This certificate is based on information provided in good faith by our suppliers that we regard as reliable. However, we are not responsible for the accuracy of the data provided by third parties.
