

About Sugar Sand Tan

Sugar Sand Tan is a Tanning Company based out of Baton Rouge, Louisiana. Created by Jennifer Cook, who is known for her tanning in the Film Industry, Playboy, Disney, and Miss Louisiana. Jennifer wanted everyone to have the ultimate tanning experience, so she invented her own custom formula called "Sugar Sand Tan." Being raised in the panhandle of Florida where the beach sand looks like sugar, sparked the name for the new tan formula! It's a luxury tan with the finest and purest ingredients. Beautiful color, quick dry, long lasting, fades evenly and absolutely NO tan smell! Made for sensitive skin, paraben free, gluten free, cruelty free with organic DHA. Congratulations! You just found your new favorite Tan!
