1 Gingerlilly Sleepwear has added the adorable new Riley pyjama set to the range of babies sleepwear, which features a happy hippo appliqué on the chest and press studs at the shoulder. Available in a pale blue and white stripe, Riley pyjamas come in an upholstered matching keepsake box. Three sizes are available for babies aged from three to 18 months and Riley sleepwear wholesales for \$22.50. **Contact Gingerlilly Sleepwear, ph: (03) 9329 2233, email: gingerlilly@gingerlilly.com.au** 

2 Villa Mondo has come up with an ideal solution for helping young children and babies locate their dummies during the night. By attaching dummies to the Cuddle my Dummy toy, little ones can easily locate their dummies by themselves by simply reaching out to the soft toy. Cuddle my Dummy

toys are available in pink or blue in a counter display unit of 12, which wholesales for \$110.85. **Contact Villa Mondo, ph: 1300 555 150, email: sales@villamondo.com** 

3 Part of Whitehill & Co's collection of silverware, the toy train features specially designed carriages to store a baby's first tooth, first curl or lock of hair. The silver-plated train also doubles as a moneybox and includes a driver's carriage designed for penny saving. It wholesales for \$54.52. **Contact Whitehill & Co, ph: (03) 9381 2777, email: sales@whitehill.com.au** 

4 Annabel Trends is reinterpreting the traditional blanket with the company's introduction of pom pom throws.

Available in a wide variety of more than 10 bright and pastel colours, each throw is edged with pom poms, giving them a lively and flamboyant appeal. Throws can be used anywhere in the domestic sphere and are an ideal addition to nurseries. They wholesale for \$30. **Contact Annabel Trends, ph: (07) 5593 4755, email: sally@annabeltrends.com** 

5 C A Australia has released a range of cuddly koalas, which make an ideal gift for youngsters from Australia and abroad. The plush koala mother and baby toy measures 22cm in height and is part of the company's Dinky Di range, which features an assortment of cuddly creatures. It wholesales for \$6.80. **Contact C A Australia, ph: (02) 9938 5011, email: thetoys@caaustralia.com.au** 

6 Belly Art has the solution for recording children's precious foot and hand prints without messy ink. Parents simply wipe children's feet or hands with an inkless wipe and press them onto certificate paper. Inkless Print Kits contain four certificate papers and one inkless wipe in a metal tin, and wholesale for \$11.36. Inkless Print Frame Kits contain three certificate papers, one inkless wipe, come with black, pink or blue frames and wholesale for \$15.80. **Contact Belly Art, ph: (03) 9509 4060, email: nikki@bellyart.com.au**

5 Belly Art has developed
cutting edge technology
that allows dotting parents
to take children's hand and
footprints without the need
for any messy ink. The inkless
print kit is easy and safe to
use and has been employed
by American hospitals to help
identify newborns. Kits contain
a pink, blue or black frame,
three inkless papers, one magic
towelette to create hand or
footprints and wholesale
for \$15.80.

6 Whitehill is helping little ones
learn their letters and begin to
read with the softly coloured range
of alphabet letters from the Beatrix
Potter collection. Each letter is
decorated with the characters
children for generations have
known and loved including Peter
Rabbit, Mrs Tiggywinkle and their
furry friends. Letters are available
in packs of 60 or wholesale for
\$9.06 each.
