Print this guide with the **printer set to 100% scale**.

This is very important otherwise the measurements on the guide will not be accurate.

Measure the line below with a ruler - it should measure exactly 10cm

If the measurement is not 10cm, print the guide again as per the instructions above

10 centimetre TEST LINE

Method 1: Measure your finger

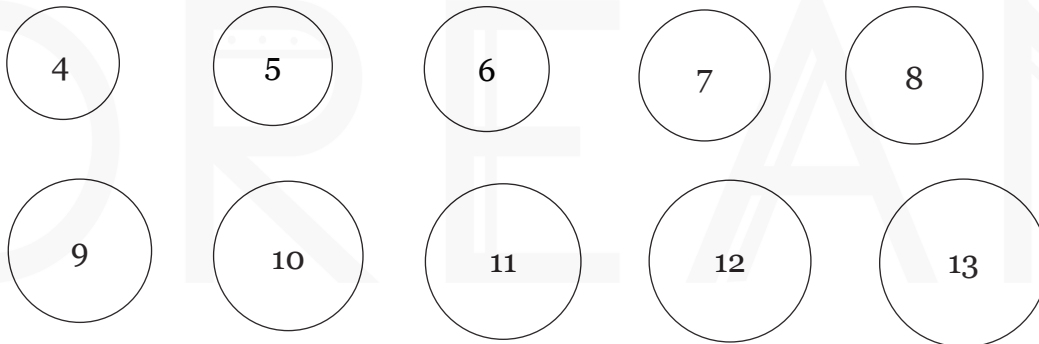

1. Carefully cut out the finger sizer
2. Cut a slot in the sizer along the dotted line
3. Pass the pointed tip of the sizer through the slot to form a loop
4. Place the sizer around your finger and pull the pointed end until it fits as desired
5. Read off your recommended ring size

OR

Method 2: Measure an existing ring

Line up the **inside** of your ring with the **edge** of each of the below circles to find the best fit.
