Dear Jack

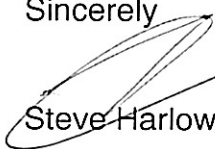

Re: Launch of the Canadian Recreational Horse and Rider Association

Congratulations on the recent launch of the Canadian Recreational Horse and Rider Association and your role as President. I understand that the new organization will focus on recreational horse enthusiasts, which will complement existing equine organizations and strengthen the trails tourism industry.

You have been a prominent leader at provincial and national levels within the equine and broader trail communities. Thank you for your continued contribution to trails in Ontario, as President of the Ontario Trails Council and co-chair of the Ontario Trails Co-ordinating Committee.

Ontario has benefited greatly from your experience and I look forward to continuing to work with you on matters of mutual interest.

Sincerely

Steve Harlow
