WOODEN SLED

VINTAGE

wooden sled

What better way to embrace the spirit of winter than to incorporate this classic and timeless icon into your holiday decor? Sleds are the signifiers of snowy days and bundling up next to the fire in a cozy blanket while drinking hot cocoa. We wanted to recreate a vintage and charming sled that you can bring out year after year.

The undeniable antique feel of this item will certainly have your company wondering the origin of its existence. Use this piece as a riser for gifts under the tree, aside the fireplace with a few fresh wood logs, or even in your foyer with a small poinsettia sitting atop!

DISTRESSED

golden Bells

The sounding of bells has accompanied traditions for centuries. Bells symbolize joy, celebration, gatherings, new beginnings, warnings, and endings. The meanings behind this seemingly subtle decor piece are far more impactful than many might realize. Did you ever stop and think just how many Christmas songs alone mention bells in it... Silver Bells, Sleigh Bells Ring, Jingle Bells, Jingle Bell Rock, and countless others. This is no mistake. Bells create the sounds of the season!

The buying team loves to bring our stealers pieces that are not only aesthetically alluring but that also embody charm, character, symbolism, and history. These slightly-distressed gold bells are the perfect way to remember that not everything is what meets the eye. Ring in the holiday season and feelings of joy with this perfectly-antiqued set!

village garland

This adorable Gingerbread Village Garland features charming houses with unique touchable designs. The adjustable loops at each end make this piece easy to hang by your stockings, on a mantel, or even on the front of your Christmas tree!

You know that the holidays are in full gear when you see the gingerbread house kits stocking store shelves. Now you can skip the lines and have your very own deliciously cute gingerbread village to bring out year after year. Each house is adorned with a 3D icing-like finish. Beware of cookie cravings when hanging around this sweet decor treasure!

All of these items also look beautiful in the Dark Wood and Glass Cloche that comes in your box too!
