Weddings at Eldredge

At Eldredge Wines we pride ourselves on being able to cater for every kind of function with outstanding quality and service, and Weddings are no exception.

We have held many Weddings at our picturesque Cellar Door Sales and outlined below are the different styles we can accommodate.

Our deck area can hold around 160 people for standup cocktail food style or 100 people for a sit down meal.

If you are after a larger sit down wedding reception for more than 100 people, depending on the weather, you could hold your reception on the lawns under festoon lighting and the stars, or a Marquee can be hired from Mid North Party Hire. This will incur extra costs due to hire fees, if you would like a quote on a Marquee, please contact us.

Hire fees:

Ceremony Only - \$300

Reception Only or Ceremony & Reception - \$1000

Full payment is required to reserve your date. Setup can be done up to two days prior, and we are more than happy for you to run a rehearsal with your celebrant or show your photographer around beforehand.

Beverage packages are available, please see attached. Please note we are a strictly no BYO venue.

Caterers –

We have a few different catering companies that we deal with on a regular basis and can organize someone for you depending on the type of cuisine you would like and the style, eg. Sit down, buffet, cocktail, etc. Please let us know if you would like us to send you examples of past menu or menu choices.

You are also welcome to organize your own caterer if you wish, however please advise us of who the caterer is, along with their contact details.
