## Model SL

Elevate Communication, Inspire Collaboration

Model SL is specifically designed to fit in narrow areas such as corridors, optimizing the use of available space. Its slim body of 2.3m\*1.0m makes it incredibly convenient to set up in any office setting for a comfortable acoustic chat room, providing employees with easily accessi-

ble areas for face-to-face conversations. Whether it's a quick catch-up or a confidential meeting, the SL booth offers a seamless and hassle-free solution for fostering effective communication in the workplace.
