

ION EXCHANGE RESINS

Product Name: CG10, CG10-C, CG10-F, CG10-UPS, CG10-HP, CG8, CG8-C, CG8-F, CG8-UPS, CG8-UPS, CG8-HP, CGS, CGS-C, CGS-UPS, CG6, GP-SAC, CG8-HP-CRM, CG8-NS, MEGA CAT

Cation Exchange Resin Sodium Form

Effective Date: 01/01/11

1. Company Information:

Company Address:

ResinTech, Inc. 1 ResinTech Plaza 160 Cooper Road West Berlin, NJ 08091 USA

Information Numbers:

Phone Number: Fax Number: Email: Website: 856-768-9600 856-768-9601 ixresin@resintech.com www.resintech.com

2. Composition/Ingredients:

Sulfonated copolymer of styrene and divinylbenzene	•	
in the sodium form.	CAS#	<u>69011-22-9 (35 – 65%)</u>

Water

CAS# 7732-18-5 (35 - 65%)

This document is prepared pursuant to the OSHA Hazard Communication Standard (29CFR 1910.1200). In addition, other substances not 'Hazardous' per this OSHA Standard may be listed. Where proprietary ingredient shows, the identity may be made available as provided in this standard.

3. Physical/Chemical Data:

Boiling Point: Vapor Pressure (MM HG): Evaporation Rate (water = 1): Appearance & Odor: Specific Gravity: Melting Point (deg. F) Solubility in Water: Thermal: Vapor Density: Not Applicable Not Applicable 1 Amber solid beads. No to low odor. 1.2 (water = 1) Not applicable Insoluble May yield oxides of carbon and nitrogen Not Applicable

Product Hazard Rating	Scale
Toxicity = 0	0 = Negligible
Fire = 0	1 = Slight
Reactivity = 0	2 = Moderate
Special – N/A	3 = High
	4 = Extreme

4. Fire & Explosion Hazard Data

Flammable Limits: Unusual Fire & Explosion Hazards: 800 ° Deg. F Product is not combustible until moisture is removed, then resin starts to burn in flame at 230 C. Autoignition occurs above 500C. Possible fire. Hazardous combustion products may include and are not limited to:

Combustion Products:

Ion Exchange Resins

Extinguishing Media: Special Fire Fighting Procedures:

5. Reactivity Data

Stability: Conditions to Avoid: Hazardous by Products:

Materials to avoid contact with: Hazardous Polymerization: Storage:

6. Health Hazards & Sara (Right to Know) Emergency First Aid Procedures:

Skin Absorption:

Ingestion:

Inhalation: Systemic & Other Effects:

Carcinogenicity: Sara – title 3, se<mark>ctions</mark> 311 & 312:

7. First Aid

Eyes:

Skin:

Ingestion:

Inhalation:

8. Control Measures

Respiratory protection:

Eye protection: Ventilation: Protective Gloves:

9. Safe handling procedures

In Case of Spills:

Disposal Method:

hydrocarbons, sulfur oxides, organic sulfonates, carbon monoxide, carbon dioxide, benzene compounds. Water, CO₂, Talc, Dry Chemical MSHA/NIOSH approved self-contained breathing gear.

Stable Temperatures above 400° F See Section 3 above for possible combustion products. Strong oxidizing agents (i.e. nitric acid) Material does not polymerize Store in a cool dry place

Contact with eyes can and skins can cause irritation.

Skin absorption is unlikely due to physical properties.

Single dose oral LD50 has not been determined. Single does oral toxicity is believed to be low. No hazards anticipated from ingestion incidental to industrial exposure.

Vapors are unlikely due to physical properties.

No specific data available, however, repeated exposures are not anticipated to cause any significant adverse effects.

Not Applicable

All ingredients are non-hazardous

Irrigate immediately with water for at least 5 minutes. Mechanical irritation only.

No adverse effects anticipated by this route of exposure.

No adverse effects anticipated by this route of exposure incidental to proper industrial handling. No adverse effects anticipated by this route of exposure.

Not required for normal uses if irritation occurs from breathing-get fresh air! Splash goggles Normal Not required.

Sweep up material and transfer to containers. Use caution – the floor will be slippery! Bury resin in licensed landfill or burn in approved Incinerator according to local, state, and federal regulations. For resin contaminated with hazardous material, dispose of mixture as

Ion Exchange Resins

10. Additional Information:

Special precautions to be taken in handling and storage:

TSCA Considerations:

hazardous material according to local, state and federal regulations.

Practice reasonable care and caution. Metal equipment with feed, regenerant, resin form, and effluent of that process.

Every different salt or ionic form of an ionexchange resin is a separate chemical. If you use an ion-exchange resin for ion-exchange purposes and then remove the by-product resin from its vessel or container prior to recovery of the original or another form of the resin or of another chemical, the by-product resin must be listed on the TSCA Inventory (unless an exemption is applicable). It is the responsibility of the customer to ensure that such isolated, recycled by-product resins are in compliance with TSCA. Failure to comply could result in substantial civil or criminal penalties being assessed by the Environmental Production Agency.

Canadian regulatory information added.

MSDS Status:

11. Regulatory Information: (Not meant to be all-inclusive-selected regulations represented.)

Notice:

12. Canadian Regulations:

WHMIS Information:

Canadian TDG Information:

The information herein is presented in good faith and believed to be accurate as of the effective date shown above. However, no warranty, express or implied, is given. Regulatory requirements are subject to change and may differ from one location to another; it is the buyer's responsibility to ensure that its activities comply with federal, state or provincial, and local laws. The following specific information is made for the purpose of complying with numerous federal, state or provincial, and local laws and regulations.

The Canadian Workplace Hazardous Materials Information System (WHMIS) Classification for this product is:

This product is not a "Controlled Product" under WHMIS.

For guidance, the Transportation of Dangerous Good Classification for this product is: Not Regulated.

While this information and recommendations set forth herein are believed to be accurate as of the date hereof, ResinTech, Inc. makes no warranty with respect hereto and disclaims all liability from reliance thereon.
