WELCOME TO *AUGUST 2025* AT FAMELIA ~ WE ARE VERY PROUD TO FEATURE *12 TOP WINEMAKER FINALISTS* FROM THE *YOUNG GUN OF WINE AWARDS* ~ A CELEBRATION OF THE BEST NEW TALENT IN AUSTRALIAN WINE SINCE 2007

In an industry that does not have parity and is male dominated, we choose to focus on featuring *Women winemakers*, *Women-led wineries*, and *Woman+* (wife/husband, sister/brother, daughter/father) *teams*, exclusively! Always where women play a vital role in the ownership, viniculture and/or viticulture of the wine/winery.

Each month we rotate the menu to showcase a range of wines that tell a story ~ through region, varietal, and winemaker. Think of it like a cellar door of revolving wines, knowledge and stories.

There are a variety of ways of experiencing Famelia:

- Select your preferred wine by the glass;
- Our favourite option ~ a Signature Wine Flight ~ where you can select 3 half-glasses of any of the wines on the monthly by-the-glass list, for \$39, or give our Mystery Premium Wine Flight a go, for \$49.
- Peruse the walls of our carefully curated bottle shop and choose a bottle at retail cost to drink in. Add \$20 corkage per bottle;
- Alternatively, take a bottle (or two) away!
- Have you checked out our 3-pack wine boxes online? Like a wine flight, but at home!
- Join a winemaker or education event ~ check out the last page for more details...

Thank you for supporting Women winemakers. I invite you to join our community loyalty program '*The Extended Family*'...! Amelia x

Famelia is proud to partner with *Young Gun of Wine* this month to bring you 12 wines made by Top Winemakers – all Finalists in the *Young Gun of Wine Awards* – from across the last 20 years.

Young Gun of Wine is a platform dedicated to showcasing the work of young Aussie wine labels and winemakers on the rise. Since 2007, after noticing a need for genuine editorial content and exposure to new voices in the wine world, *Young Gun of Wine* dedicated itself to scouring the country for the best emerging talent. As they enter their 20th year(!), they continue to conduct exhaustive tastings and deep-dives on lesser-known varietals, host an array of events, and fundamentally champion winemakers with unique voices, who are reshaping the wine landscape in Australia.

Through their revered awards program, *Young Gun of Wine* has cemented itself as a genuine, impartial and approachable voice of authority and experience, in a wine world which is so often the opposite. It is here, alongside a mutual desire to help people discover the joy of wine, where *Young Gun of Wine* and *Famelia* align. We hope you enjoy this lineup of wines for August!

MYSTERY WINE FLIGHT

Throughout June and July 2025 we had a special ‘men-made wines’ mystery wine flight on the list, to sell some legacy bottles we had in storage. Thanks to 86 customers (we sold 86 flights!) we moved through them all!

It was a bit of a tongue-in-cheek idea...

Considering our purpose at Famelia is to create a space for women winemakers to be on show, I decided to add a 16% tax on the mystery flight of men-made wines. This percentage represents the total number of women winemakers in the industry in Australia...pretty scant. But we’re on a mission to support this number rising!

In order to make this all sit right with me, I promised to donate the extra earnings from the 16% tax, plus, I would match it. So...together we raised \$1,204 for Forever Projects – a charity that helps Tanzanian women break the cycle of poverty and create a self-sustaining future. We were forever down with the idea that collectively, we could tangibly help a mama feed her newborn baby, build a business, and walk out of poverty.

So aside from learning how caring our community is, I learned that so many people enjoy mystery wines, so we’re keeping it up in August, but we’re back to regular programming, with premium women-made wines...enjoy!
