Shipping

The Customer is responsible for all shipping costs and these shipping cost are not included in any kit pricing. Kits will ship on a large pallet and must be shipped via truck freight due to size and weight. It is recommended that your order be shipped to a business with a loading dock and/or fork lift to minimize the shipping cost. If special delivery services such residential delivery or lift gate are needed, additional charges will be incurred. Orders can also be picked up at our facility with advanced scheduling.

I will pick up my kit. Preferred date for pick up, no less than 3 weeks out, is:

Product Inspection Upon Receipt

It is the customer's responsibility to inspect order contents for completeness and damage, and report any irregularities, omissions, or damage within 10 business days of receipt. Any visible damage that occurred in transit must be noted on the shipper's paperwork prior to accepting and signing for delivery. Taking photos of damage at this time is also strongly encouraged. Adventure Wagon will work with you to resolve any issues and/or ship replacements as quickly as possible.

Payment Terms

A 50% deposit (minimum) is due at time of order to begin production of your custom kit. The remaining balance, plus applicable shipping costs, are due prior to shipment or order pick up. Payment may be made in full at any time prior to order completion. All major credit card are accepted and checks are accepted a minimum of 10 days prior to order completion.

I am sending a check for the Total Kit Cost, less any deposits paid. Adventure Wagon will contact me when the order is complete so I can provide a card to pay the shipping costs or arrange a pick up date.

I will use a card to pay the Total Kit Cost, less any deposits paid. Adventure Wagon may use this same card to charge the Shipping Costs upon order completion. Adventure Wagon will contact me for the card information upon receipt of this Purchase Agreement.

I will use a card to pay the Deposit To Start Order amount above. Adventure Wagon may use this same card to charge the Remaining Order Balance and Shipping Costs (if applicable) upon order completion. Adventure Wagon will contact me for the card information upon receipt of this Purchase Agreement.

Terms and Conditions

I authorize Adventure Wagon to build a custom Interior Kit as detailed above. I am responsible installing all components according to the included instructions. I acknowledge that basic mechanical aptitude and experience with hand tools is required for installation. Any deviation from the stated instructions will void any product warranty. If I am not capable of proper installation, I will seek the help of a qualified expert. I have reviewed the warranty and return policies online. All sales are final.
