

HHQ-7360 Crystal Blue (added 12/26/2019)

Corrections for Crystal Blue HHQ-7360

Added 12/26/2019

Corners of the center block on the layout on page 3 shows block B/G in that location. Those four blocks should be E/G to match the cover picture.

Therefore, on page 1 of the instructions should say to make 12 of block E/G and 8 of block B/G instead of the other way around.
