

HMD-104 Driftwood (added 9/27/11)

## **Pattern Correction for Driftwood HMD-104**

For patterns published before September, 2011, the paper piecing templates on the bottom of the last page are reversed. Click on the link below and you will then have the corrected pattern. Print it out (with a page scaling set to NONE) for future use. Make sure when it is printed, that the 1 inch square measures 1 inch.
