Monolec 6404 Heavy Duty Breathing Air Compressor Oil

Application

Monolec 6404 is a Food Grade based oil designed to prolong equipment life by combating the effects of high temperatures, water, contaminants and heavy loads that accelerate wear. While it has also been used to lubricate Bearings, Blowers, Circulating & Splash systems, Gearboxes, Industrial turbines, vacuum pumps, etc...it is commonly used in the Commercial Diving Industry for breathing air compressors.
