How do I use Afterpay?

Simply shop online, add items to your cart, and checkout as normal. At checkout choose Afterpay as your payment method and you will be directed to the Afterpay website. First time customers will need to register with Afterpay and provide payment details as usual, returning customers simply log in to make their purchase. It's that easy!

Where can I use Afterpay?

Afterpay can only be applied to purchases made on the Beauty Bakerie website (www.beautybakerie.com).

Can I use Afterpay if I'm an international customer?

How does the Afterpay payment schedule work?

All Afterpay customers are required to make their first payment at the time of purchase, with the remaining three payments deducted automatically *every other week* from your chosen payment method. If you choose to make additional unscheduled payments, Afterpay will adjust the amount owed accordingly. You can log in to your Afterpay account to view your payment schedule and make a payment before the due date if you choose to do so.

What if I can't pay an Afterpay installment?

If you fail to make a payment, you will be charged an \$8 late payment fee by Afterpay, and an additional \$8 fee if the missed payment is not made within 7 days. Late fees can be applied up to three times for three missed payments, but the late fees will not exceed 25% of the total order. [Please see Afterpay Terms and Conditions here.](#)
