

HAND-HELD REBOUNDER

Improve your skills in goalkeeper agility and reaction speeds as well as fast control and reaction control for outfield players.

The 60 x 60cm handheld rebounder can be angled by the user to create unpredictable returns and can be used in many different ball sports. Great fun as well as a tool to help you improve.

IMPORTANT: REVIEW CAREFULLY AND KEEP FOR FUTURE REFERENCE

Developed in the UK by iControl Sport Limited / Football Flick.
Assembled in India.

SAFETY AND CARE:

When not in use, always store in a dry place. Prolonged exposure to sunshine, rain, snow etc. will cause deterioration of the unit.

The Football Flick Hand-Held Rebounder has been designed to be used with standard weight footballs of any size. It has not been designed to be used with heavier adaptations or any other objects. Do not sit,

stand or apply pressure to the unit with any other object other than a standard weight football. Regularly check all fastenings are secure.

The Football Flick Hand-Held Rebounder should be used responsibly and under the supervision of adults where children may be using the unit.
