

There are two types of wrapping

Without the coloured box — Page 02

With the colour box — Page 06

Without the coloured box

1. Let Loona's ears drop naturally.

2.Wrap Loona's ears and head in a cushioning material (plastic foam, cotton, sheets, etc.) and lay the head down.

3.Wrap Loona's whole body in cushioning material.

4. Place Loona in a corrugated box and fill the gaps with cushioning material.

With the colour box

1. Let Loona's ears drop naturally.

2.Wrap Loona's ears and head in a cushioning material (plastic foam, cotton, sheets, etc.) and lay the head down.

3.Covered with a plastic bag.

4. Put Loona back in the box.

5. Place the box in a corrugated box slightly larger than it is and fill the gaps with a cushioning material
