About us

Be Kind Apparel is an Irish clothing brand focusing on simple moments of kindness that create meaningful connections. The everyday interactions, those little check-ins with one another, those opportunities to help where we can. A simple smile, an encouraging word to make us all feel more connected.

We offer premium, organic products that are ethically and sustainably sourced and only work with suppliers that reflect these values. We contribute to local causes through our charitable donations and partner with SVP for our annual Christmas Toy Appeal.
