

Nature Scavenger Hunt Checklist:

-  Colorful Leaves: Look for leaves of different colors and shapes. Can you find a red one? What about a spiky leaf?

-  Animal Tracks: Keep an eye out for footprints in the dirt or mud. Can you guess which animal left those tracks behind?

-  Pinecones: Spot these little guys on the ground. They look like mini pine trees! How many can you find?

-  Wildflowers: Search for beautiful, wild blooms. What colors and shapes do you discover?

-  Tree Bark: Feel the bark of different trees. Is it rough or smooth? Each tree has its unique skin!

-  Butterflies and Bugs: Watch for butterflies fluttering by and little bugs crawling around. Can you spot a ladybug?
