CurcuMax C3 delivers 500 mg of C3 Complex®, a patented and bioavailable form of curcumin extracted from turmeric root (*Curcuma longa*). Known for its potent antioxidant properties, curcumin may help neutralize free radicals, may support healthy inflammatory responses, and promote joint and cellular health.

CurcuMax C3 is formulated for enhanced absorption, with BioPerine, ensuring maximum efficacy in each capsule.*

Key Benefits & Features

Joint Health

Curcumin may support a healthy inflammatory response, promoting joint comfort and mobility.*

Antioxidant Protection

Neutralizes free radicals and protects cells from oxidative stress, which may contribute to aging and chronic health concerns.*

Supports Cellular Health

May promote healthy cellular function and resilience by modulating signaling pathways.*

Clinically Studied

C3 Complex® is backed by numerous clinical studies demonstrating its efficacy in supporting overall wellness.*
