IMPORTANT SAFEGUARDS

- Read all instructions.
- Keep fan out of reach of children.
- Do not operate any appliance after it malfunctions, or is dropped, or damaged in any manner.
- Do not immerse the unit in water or any other liquid.
- Do not attempt to disassemble the unit; there are no serviceable parts inside.

Battery Precautions

This fan has a built-in 3.7V 7200mAh lithium battery. When you purchase this fan, the rechargeable batteries are not fully charged. For first time use, charge the batteries for at least 5.5 hours.

- When using for the first time or after long term storage, fully charge the battery before use.
- Only use the USB-C charging cable provided by the manufacturer to charge the battery.
- Do not incinerate or mutilate your rechargeable fan; this may cause bursting or release of toxic material.
- If your fan or batteries have been exposed to excessive temperature or leakage occurs from the batteries, stop use of the product.
- Once the rechargeable batteries have reached the end of their life, they cannot be replaced, but you can continue to use the fan with the USB-C charging cable.
- At the end of product life please dispose of the unit following your state and local guide lines for recycling batteries and electrical products.

Parts & Features

Charging

USB-C Cable Included

1. Insert the USB-C end into the USB-C Port on the side of the fan.
2. Plug the cable into any USB port or wall adapter. Unit will be fully charged after approximately 5.5 hours.

A solid red light indicates that the fan is charging.
A solid white light indicates a full charge.

Note: Fan can operate while charging.

Set-Up Table Fan

1. Hold the base of the fan down with one hand and lift the top up with the other hand.

2. Bring the arm UP.

3. Push arm back until fully vertical.

Set-Up Floor Fan

1. Hold the base of the fan down with one hand and lift the top up with the other hand.

2. Bring the arm UP.

3. Push arm back until fully vertical.

4. Extend the telescopic arm to the desired height.

Operation

Press **ON/OFF** to power the fan.

Press **SPEED** once for low, twice for medium, and three times for high. Press again to return the fan to low.

The **OCEAN BREEZE** function simulates a gentle outdoor movement. Press once for low-medium, twice for medium-high speed.

Timer

The **TIMER** may be used with the **SPEED** settings or the **OCEAN BREEZE** function.

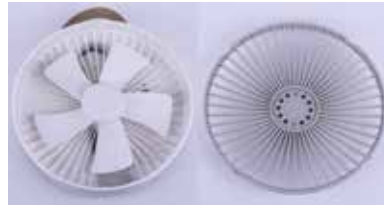

- Press 1/2/3 times for 2H/4H/6Hours.
- Light intensity will increase to demonstrate the time set.
- Press a 4th time to turn the timer off.

Cleaning

Always make sure the device is turned off before cleaning.

1. To remove: twist the grill cover counterclockwise to unlock it.

2. Clean off the dust from the grill. Use a soft, damp cloth to clean the grill and fanblades.
Do not immerse the fan in water or any other liquid.

3. Place grill cover back on. Align the grooves on the fan and cover. Turn clockwise to lock into place.

Storage

When done using the fan, return it to its folded position.

1. Lower telescopic arm all the way down.

2. Bring the arm **DOWN** into the base while pressing down on the top.

3. Fold down the top part of the fan and push to close.
