

Silver Steamer

Silver Steamer with its excellent design shows its promptness to blow off steam in one minute and thirty seconds after operation. Also, if you use preheat system, you can get the steam within 20 seconds.

Silver Steamer, to be designed suitable to do a lot of movable works. It use the electrical parts approved by UL and CSA to maximize product stability.

SR-5800

Electricity 120 / 220v
Wattage _ Steam Generator 1300w
Wattage _ Iron 120v / 1000w
Wattage _ Iron 220v / 1000w
Weight 8.5kgs
Size 415 x 240 x 300h
Included Iron SE-2000

- > Possesses 4 level security system
- > A notice LED for automatic water supply
- > Water waste system
- > Powerful and dry steam
- > Internationally certified electric and electronic parts used(CE, VDE, UL, CSA, CQC)
- > The plastic exterior

SR-5800L

Electricity 120 / 220v
