About BLUE TOKAI

We are India's most-loved specialty roastery and coffee brand that has directly worked with over 50 of India's best coffee farms.

Our mission since we started has stayed the same: introduce our customers to the estates we directly buy our coffee from, roast the beans with care, and make high-quality coffee more accessible through our products and cafés. The coffee we roast is the coffee we love to drink, and we hope you like it too.

We're a full-stack coffee company, with an active presence across all stages of the coffee value chain:

4
