Jambon de Paris

Fabrique Délices' Jambon de Paris is made according to traditional recipes to ensure a rich, delicate taste. Lean, low-fat whole-muscle pork is slowly cooked sous-vide, carefully seasoned and perfect for slicing. Enjoy one of the best Parisian style hams available in your favorite sandwiches, croque monsieur, quiches, party trays, antipasto platters, appetizers and breakfast dishes. The large Jambon de Paris is a 10-pound ham that's perfect for slicing in the deli. Jambon de Paris is also sold as three units with 3.3 pounds each.

Feve Bars

Feve Bars represent a unique take on the traditional chocolate bar. Skillful chocolatiers have taken nostalgic flavors that harken back to happy childhood memories: comforting memories of Grandma's cinnamon toast, Mom's raspberry cheesecake, and old-fashioned peanut butter bars, and revived them as tasty confection bars unlike anything else on the market. Combined with healthful ingredients such as crunchy puffed quinoa, Feve Bars are a retro treat, handcrafted in San Francisco in a reimagined way, appealing to both younger and older customers alike. Brand new for fall 2020, Feve Bars are available in three nostalgic flavors: Cinnamon Toast, Peanut Butter Crunch and Raspberry Cheesecake.

Once Again Nut Butter Cashew Butter with Sea Salt Caramel

Decadently rich and beautifully buttery, the premium product is crafted from carefully selected, organically grown cashews that are dry roasted for color and flavor and milled creamy with natural caramel flavor, high-quality sea salt and organic sunflower oil. The U.S. Department of Agriculture-certified organic product features 5 grams of plant-based protein per serving and is free of sodium, preservatives, cholesterol and trans-fat. It's also Non-GMO Project Verified, gluten-free certified, vegan, paleo-friendly, keto, kosher, and part of the brand's Honest in Trade program. Made in a dedicated, peanut-free facility with no sugar added (so it's just the right amount of sweet!), this flavored cashew butter is so delicious, it'll make you do a double dip.

Thai-Style Frozen Entrees from Saffron Road

Thai Basil Noodles and Thai Red Curry Chicken are the newest frozen entrees from Saffron Road. Thai Basil Noodles combines pasture-raised, grass-fed beef with bok choy and red bell peppers in a delicious tamarind and Thai Basil sauce, while Thai Red Curry Chicken is filled with an entire marketplace of wholesome ingredients from coconut milk, lemongrass, kaffir lime and red chili pepper with antibiotic-free chicken. The result is a complex, authentic and delicious flavor combination. Both meals are made with premium authentic and responsibly-sourced ingredients like chicken raised without antibiotics or grass-fed beef and are free from anything artificial. They are both halal and gluten free-certified.
