

Automatic Slims is an American Lifestyle Brand focused on creative designs and activations in the Meta and Physical Worlds. We are inspired by the authentic music, art and custom culture that grew from garage bands, underground nightclubs and house parties and have shaped young generation outlook on who they want to be...

Welcome to Automatic Slims!

A Web3 Universe which focuses on hospitality driven experiences in the Metaverse, creation of virtual projects with physical goods and their authentication. By providing an online platform in Decentraland we are creating a bridge between the Web2 and Web3, while offering freedom in the creative approach and channeling social interactive experiences.

We are offering you the opportunity to:

- Create image files of virtual goods, wearables or any objects
- Mint these into non-fungible tokens (NFTs) on the blockchain
- Authenticate these goods, and mint a unique COA
- Unlock coupons for physical products
- Build your store, fully branded with your concept
- Sell physical and virtual products
- Organize events and immersive experiences
- Deploy treasure hunts, giveaways and contests

Unlock a world of possibilities as you create, tokenize, and showcase your virtual creations as NFTs. Enjoy exclusive benefits by entering the Automatic Slims Universe in Decentraland - your canvas for boundless innovation in the evolving landscape of the Metaverse.

**Join us and embark on a journey
where your creativity knows no bounds!**
