

Slide Carousel

This addendum applies to Slide Carousel Twin size kits that contain 2 yards of background.

With careful cutting, you can successfully cut the background using the layout below.

From Background (see changes in red below):

cut 8 - 2½" x WOF, sub-cut **60** 2½" x 4½" rectangles H and **30** 2½" x 2" rectangles I

cut 3 - 3" x WOF, sub-cut 30-3" x 3½" rectangles J

cut 13 12 - 2½" x WOF. sub-cut 49 -2½" x 10½" sashing strips*

(this will give you 48 sashing strips, cut remaining sashing from remainder of J strip)

cut ~~6~~ 6- 2" x WOF border strips* and add extra from J and I strip

*see tips below

Cutting layout for Background

*Tips:

- Cut your sashing after squaring up your blocks; you may need to adjust the length of the sashing to match.
 - Measure top to bottom (the vertical center of your quilt) after step 7. Adjust the final length needed for the Vertical Border in step 8.
 - After you add the vertical borders in step 8, measure side to side and adjust the horizontal border length.
