2.15 Games

sixteen games are installed in the watch

◆ Basketball Shoot master

How to play: Press the basketball to shoot, When the backboard is going to move to the middle, control to shot.

◆ Bee War

Protect your star from the attack by your enemy. Wipe out all of them before they arrive at your base station.

How to play: tap left/right to move your war craft to shoot, need to hit twice to destroy the enemy.

Score as much as you can! You have a total of three opportunities.

You can set "Easy", "Normal" and "Hard" modes separately, and set music on or off and view.

◆ Pinball Hit Bricks

How to play: Destroy all bricks to progress to the next level. White bricks give a special 3-ball bonus. Blue bricks need to be hit 2 times. Score as much as you can!

The "Easy", "Normal" and "Hard" modes can be set separately. And set turn music on/off or check the score.

◆ Car Grab Goods

How to play: Click the screen left or right to move the car, as much as possible to catch the airdropped supplies. You have a total of three opportunities. The "Easy", "Normal" and "Hard" modes can be set separately. And set turn music on/off or check the score.

◆ Mario eat gold

How to play: You need to collect as many coins as possible and jump over platforms, Don't fall or hit the columns, or you'll die! Press once to jump, press twice for a big jump.

The "Easy", "Normal" and "Hard" modes can be set separately. And set turn music on/off or check the score.

◆ **Ultimate racing**

How to play: Press and hold the car to move left and right to switch lanes. The car in front may drop gold coins. Eat as many gold coins as possible. To avoid crashes, you have only one chance.

Can set turn music on/off or check the score.

◆ **Math wizard**

According to the question, decide whether the result is correct or not.

◆ **Galaxy Wars**

Move the fighter to kill as many enemies as possible, and move to the next level in 60 seconds

◆ **Fighter pilot**

Fly your fighter plane through enemy territory and complete your mission to return safe and sound.

◆ **Turnable**

Spin that wheel and see where you land. Each color lands on a number which tell you how many times you need to click.

Pay close attention as you need to follow instructions carefully.

It may land on yellow and say NOT YELLOW 5x's. This means do NOT click yellow but any other color 5 times total.

Good luck!

◆ **Penalty 2019**

Beat the clock and see how accurate you are at hitting penalty shots

◆ **Even Number Game**

Select to play an even or odd game. Depending on what game you are playing click on all the even or odd numbers in the game. Make a mistake or miss a number and the game is over.

◆ **Car Chaos**

Get your red sports car out of the parking lot by moving around the cars to get out through the exit.

◆ **Snake in the grass**

Move the snake around the screen by swiping in the direction you want it to move. Eat different objects to give the snake temporary powers. but be careful, they could be hard to control.

◆ **Pick up Ping pong**

Move the racket to catch the table tennis and have a table tennis match.

◆ **Jelly Fun**

Exchange jelly seats so that three jelly can be arranged in a row or column.
