

FIND YOUR RING SIZE

Please ensure that you print this sheet in its full scale. To achieve this, choose the «none» option within your computer's Print Preview window for page scaling.

FOLLOW THESE STEPS

01

Locate a ring that comfortably matches the finger for which you want to determine the size.

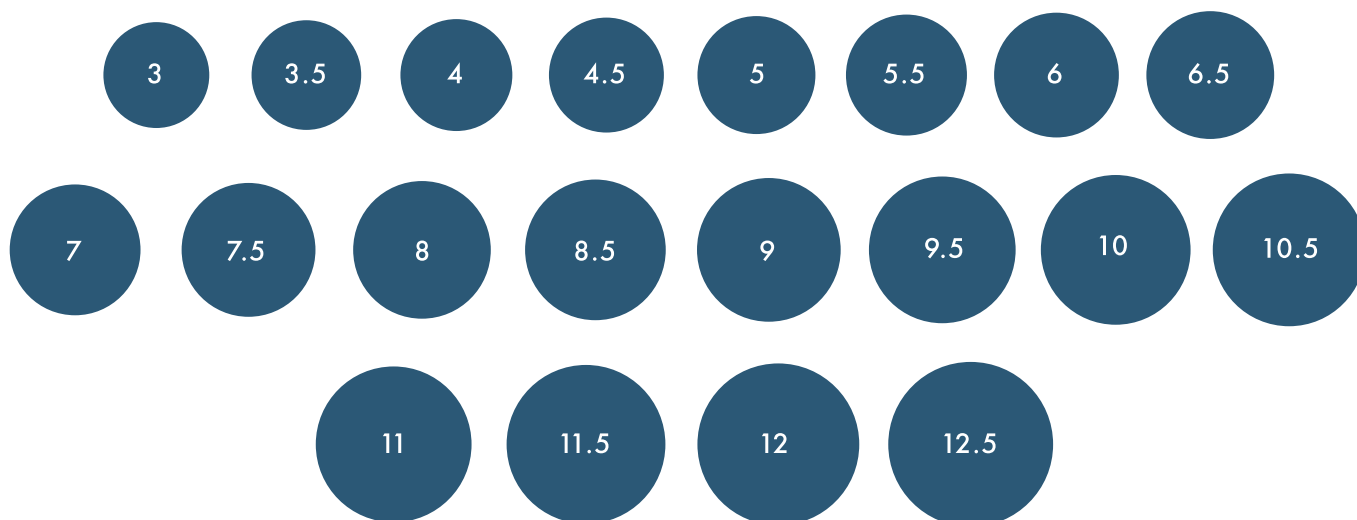

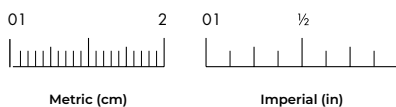

02

Position the ring on the circle that lines up with the inner edge of your ring.

03

Now that you've determined your ring size, you can proceed to place your order.
