

ATTENTION:
Sol Cleanse Delivery Driver

Please return this box of empty jars back to
the Sol Cleanse Kitchen

Sol Cleanse Jar Return Program

At the heart of everything we do lies a deep commitment to sustainability. After enjoying your cleanse, we invite you to join us in this conscious endeavour. Simply return your glass jars and bottles for us to clean, sanitise, and reuse.

Return options:

OPTION 1: PICK-UP

You can request to have your empty jars collected by our delivery driver with your next order. Please mention in your order notes if you have a box of empties for collection.

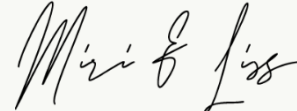

If the box is being collected, attach this card to the outside. On delivery day, place the box by your front door for easy pick-up.

OPTION 2: DROP-OFF

You can also drop off the box directly at our kitchens:

- 📍 **Gold Coast Kitchen:** 6/3 Villiers Drive, Currumbin Waters QLD 4223
- 📍 **Sydney Kitchen:** 16/49 Carrington Road, Marrickville NSW 2204
- 📍 **Melbourne Kitchen:** 5 Wangim Way, Coburg North VIC 3058

Thank you for helping us in honouring the Earth's resources, treading a little lighter wherever possible.

With gratitude  Sol Cleanse Founders

Here's what to do:

- STEP 1: Keep your delivery box, silver insulation foil, glass jars, and ice pack for return.
- STEP 2: Rinse jars immediately after use and place them back in the box as received.
- STEP 3: Pad any gaps with newspaper to reduce movement during transit.
- STEP 4: Seal the box securely with tape.

Please note: Lids cannot be reused, so no need to include them.
