Part #

30600**Cabinet & Linear Light**

Revlite Technologies Inc

Type

Project

Catalog No.

DESCRIPTION

Angle channel extrusion for corner installation. Complete with LED strips at 5W/ft and 400 lumens/ft. Accessories for mounting available.

FEATURES

The fixtures come in custom lengths with quick connect cables and power feeds. Available in 4 different color temperature:

- 2700K
- 3000K
- 4000K
- 5000K

SPECIFICATIONS

Input Voltage	12V DC
Wattage	5W/ft
Colour Temp	2700K / 3000K / 4000K / 5000K
Dimming	Optional
Lumen Output	400 lumens/ft
CRI	>80
Beam Angle	120°
Power Factor	>0.9
Lamp Life	50,000 hours
Environment	IP20
Certification	cULus
Warranty	5 years - see published warranty terms for details

* Product specifications subject to change without notice.
