Alternative tracks

During the months of December through April, Broome experiences spectacular wet season storms. During this time you may be required to use our alternative blue track to access the Pearl Farm. Please check which track to take when you book your self-drive tour.

Caution

We recommend a 4WD due to high tides and rain occasionally affecting access to the Pearl Farm. If you are unfamiliar with the area please phone our bookings office ahead of time on (08) 9192 0000 so we know when to expect you.
