**TOMY is pleased to announce BOTH John Deere 7720 combines will be the fourth offerings in the John Deere Prestige Select series. These one time production run units are the 1:16 John Deere 7720 Turbo and 1:16 John Deere 7720 Titan II (sold separately).**

The combines will be constructed with die-cast bodies, die-cast feeder housings, die-cast rims, die-cast unloading augers, and die-cast rear axles. Clear cab windows and opening cab doors will reveal the detailed cab interiors. Moveable features include feeder housing that will raise and lower, pivoting unloading auger, hinged front ladder, and opening engine panels. TOMY reserves the right to limit quantities.

*If minimum production quantities are not reached, orders will be canceled.*

*One time productions - Tooling will be destroyed after production.*

## Prestige Select Program

**Order Period:** January 27, 2025 – February 23, 2025

**Program:** All orders placed within the order period will be filled.

**To Order:** Visit a John Deere dealership

*If minimum production quantities are not reached, orders will be canceled. TOMY reserves the right to limit quantities.*
