

CHAIN & NECKLACE SIZE GUIDE

Measure the length of your chosen chain or necklace using flexible tape to determine the fit. This sizing guide is an approximate look, the weight of the material, the type of pendant, and body proportions will affect how they look to hang.

LENGTH (INCHES)	LENGTH (CM)
16	40,64
18	45,72
20	50,8
22	55,88
