## RING SIZE GUIDE

TAKE THE GUESSWORK OUT OF FINDING THE PERFECT SIZE. OUR RING SIZER GUIDE IS HERE TO HELP.

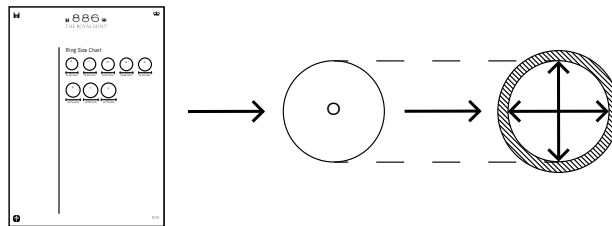

### STEP ONE

First, find a ring that fits the desired finger on which you or your loved one would like to wear the 886 by The Royal Mint ring.

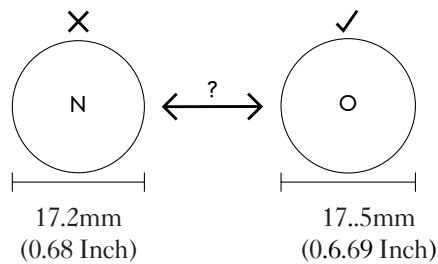

### STEP TWO

Now that you have found a ring that fits, find the circle which represents the best match for the inside of the ring (the inside of the band should align with the outer edge of the circle).

### STEP THREE

If the existing ring is between two sizes, we recommend that you select the larger size.

## CUFF SIZE GUIDE

OUR EASY-TO-USE CUFF SIZE GUIDE ENSURES YOU CHOOSE THE PERFECT SIZE AND FIT FOR YOUR WRIST.

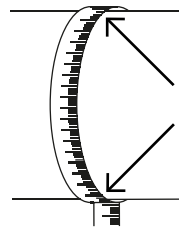

### STEP ONE

Measure the wrist with either a tape measure, a length of string or a strip of paper.

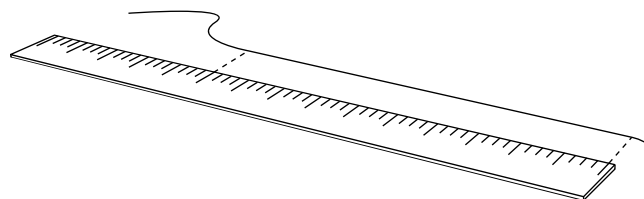

### STEP TWO

Depending on which wrist the cuff will be worn, wrap the preferred choice around the wrist until it joins (a typical cuff sits comfortably and intimately, rather than having a slacker fitting).

### STEP THREE

Once joined, mark out the measurement, lay the string or paper on a flat surface, and use a ruler to measure the length. Now that you've measured, refer to the 886 by The Royal Mint size chart.

## NECKLACE SIZE GUIDE

NECKLACES VARY BY CHAIN LENGTH. THE CIRCUMFERENCE OF YOUR NECK AND SIZE OF THE PENDANT WILL IMPACT HOW YOUR NECKLACE SITS ON ITS OWN AND WITH OTHER STYLES.

USE OUR SIZE GUIDE TO ENSURE THE PERFECT MATCH.

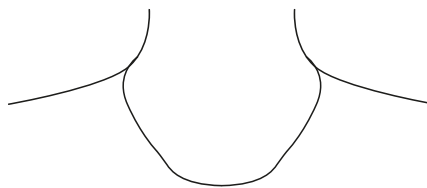

### STEP ONE

Start by measuring a piece of string to the same size as the necklace you wish to purchase.

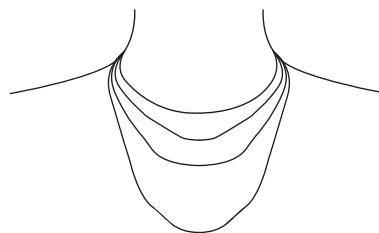

### STEP TWO

Place the string around the neck to see where it falls. Please factor in the size and shape of the pendant when doing this.

### STEP THREE

This process can be repeated for varied lengths.
