**Corporation**

Through this document, **Sistema B Perú** certifies that:

***Bergman / Rivera***

---

**Has been certified as a B Corp since June, 2021.**

The certification is valid for three years (so it is valid until June 2024) date on which the company must carry out the recertification process, complying with all the requirements established for that purpose.

B Corps go through a rigorous evaluation and verification process, using B Impact Assessment. B Corp Certification is the only certification that measures a company's entire social and environmental performance. The B Impact Assessment evaluates how your company's operations and business model impact your workers, community, environment, and customers.

Sistema B and B Corps are part of a global movement which works for an economy where success is measured by the well-being of individuals, societies and nature.
