

The BME is a Not-for Profit organization designed to better the living conditions of moderate to low income household in Maine.

Our Mission: To benefit low-income families and the environment by providing new and re-usable building materials at an affordable price.

Although this is an aggressive task, the BME has been providing this service for 15 years. The BME has helped thousands of families maintain their homes. The ability to effectively renovate, build or just maintain a home for those of lower incomes is a daunting task. Currently the BME has over 6,000 members and families from Lubec to Kittery.

Anyone is able to purchase from the BME's active inventory. Specific items are reserved for BME members. All materials are priced according to condition and quality. Items such as wood, lumber, roofing, siding, egress windows, insulation and exterior doors are examples of member only items. Any items not deemed of NEED by the BME are available to our non-member clients for an additional charge. The BME reserve the right to classify all merchandise available.
