When you're shuttling between job sites, you'll want the convenience of a portable washing system that allows you to easily transport your cleaning equipment virtually anywhere. Landa's 3500 trailer fills that niche beautifully, providing you with a rugged, heavy-duty chassis, sturdy wheel and axle assembly, 15" white-rimmed wheels, dual saddle boxes, 3500 lb. load capacity, and a powder-coated finish for protection against the elements. The 3500 is fully customizable — simply choose from three series of portable, industrial-grade Landa hot water pressure washers, add the options and accessories you want, and you're in business! The 3500 is an ideal solution for contract cleaners and those with flexible cleaning requirements.
