

PE

Cold Water Electric Powered

The PE is one of our most popular machines for everyday use. Only the highest-quality components are used on the PE, including our tri-plex high-pressure pump with 7-year warranty, industrial-duty Baldor motor, durable steel frame with welded seams, and a stainless steel point and shoot wand for cleaning effectiveness. The PE has a 24-inch hose guard for burst protection and tri-lingual operating instructions for owner liability assurance. Reduce cleaning time with features like front and back handles, leak-free pneumatic tires, and shock-absorbing, spring-loaded rubber feet to prevent "walking" while in operation.

- Up to 4.8 GPM / 3,000 PSI
- Belt-Drive Pump
- Steel Chassis with Weather-Resistant Finish

Model #	Part #	GPM	PSI	Pump RPM	Pump	Motor HP	Volts	Phase	Amps	Ship Wt (lbs)
