

# PGHW

**Hot Water  
Gas Powered  
Diesel/Oil Heated**

There is a reason the PGHW has been our most popular skid unit for over two decades: classic, rugged design in a compact frame. Drop it into the bed of a pickup or mount on a custom trailer, and this workhorse goes the distance. With up to 5 GPM at 5,000 PSI, you can choose a model tailored fit your budget and job size. You will find the PGHW a favorite among contract cleaners, facilities managers, municipalities, and oil field service companies because it delivers solid performance and unmatched reliability.

- Up to 8 GPM / 4,000 PSI
- Belt-Drive Pump
- Diesel/Oil Heated
- Skid Frame with Optional Wheel Kit
- Rust-Free Float Tank
